Chikasha Anumpoli Holisso Pisachi

Class 2

Exercise 1:

Break into groups by the color beside your name on the sign in sheet. Each group will have 6 colored squares. You will lay the squares on the floor and each person will jump on the squares and say the Chickasaw word for the squares as they jump.

Exercise 2:

Each group will write a nursery rhyme (make it rhyme) using the colors that you just learned and any other Chickasaw words you know. You can use English for the words you don't know in Chickasaw yet. Each group will then share their nursery rhyme with the entire class.
