One of the primary goals of the Chickasaw Nation Aviation and Space Academy is to provide a safe environment conducive to learning. Cadets are expected to adhere to the Cadet Code of Conduct while attending the academy. Cadets' behavior is expected to be cooperative with all the instructors as well as staff members, since all cadets are under the supervision of the adults helping with this event.

The use of tobacco in any form will not be allowed. Use of foul or abusive language, excessive horseplay, theft, misuse or abuse of public or private property or disrespect of other cadets or staff members will not be tolerated and violators are subject to being sent home. If violations of the code of conduct are deemed by the staff members to be less serious, the punishment will result in a reprimand and further violations may result in cadets being sent home.

Realizing these guidelines are not "all inclusive," the Chickasaw Nation reserves the right to make adjustments to the code of conduct.

The reason for this agreement is to ensure conduct and behavior that will result in every cadet receiving the full benefit of enjoyment and educational experiences from this event and is not intended to place undue restrictions upon any individual.
