

Chickasaw Historical Society Membership Application

Become a part of the rich and colorful heritage of the unconquered and unconquerable Chickasaw Nation by joining the Chickasaw Historical Society (CHS). CHS takes an active role in the preservation and promotion of Chickasaw heritage and culture. Your CHS membership allows us to place historical markers, publish journals, purchase artwork, fund activities, produce videos, help with language preservation and much more!

CHS was established by tribal law on April 15, 1994. Since that time, our board and society members have worked hard toward the mission statement to "preserve, revitalize, and share Chickasaw history and culture so future generations can continue the fire." The Chickasaw community is important to our board of directors.

Additional ways CHS works within our communities:

- Researching and documenting historical information
- Profiling achievements of our citizens
- Promoting tribal arts
- Educating people in our language
- Encouraging archival and museum donations

The CHS - Growing future generations of Chickasaw historians through our children.

Included with your membership is a one-year subscription to *The Journal of Chickasaw History and Culture*, produced by CHS. With your support, CHS can continue to impact Native American culture. Please select a membership level below and you will not only keep CHS funded, but you will receive the Journal twice a year.
