Chikasha Anumpoli Pehlichli

Class 3

Exercise 1:

We are going to practice the body parts by playing a round of the Chikasha Hokey Pokey! You remember the Hokey Pokey...

You put your Ilbak in,
You put your Ilbak out,
You put your Ilbak in,
And you shake it all about,

You do the hokey pokey
and you turn yourself around
That's what it's all about.

Exercise 2:

We are going to play the alien game. Each group will need to work together to come up with 10 different features in Chickasaw that you can give to an alien. The weirder the better! :o) For example "three red noses or four yellow eyes." All the words on each strip of paper have to be in Chickasaw. Then we will put all of the papers into a basket. Each group will have a team member go up and pull out a strip and try to draw it on an alien. After they draw the feature their team has to figure out what the feature is supposed to be and say it in Chickasaw. If the team guesses it correctly they get a point.
