Class 6

Exercise 1:

The class will be divided into groups and each person will be given a card with a Chickasaw day of the week on it. The groups are only allowed to use whatever Chickasaw they know to communicate with each other in this exercise. The caller will call out a particular order for the days of the week in English and the groups will have to work together to get their group in the correct order.

Exercise 2:

The class will be divided into groups. The groups are only allowed to use whatever Chickasaw they know to communicate with each other in this exercise. The caller will give the groups a particular order to line up in based on their birthday month.
