CHICKASAW TRIBAL LEGISLATURE

General Resolution Number 26-012

**Approval of Application for Funding
Family Violence Prevention and Services**

Explanation: This resolution approves the Chickasaw Nation's application for federal funding to the Administration for Children and Families for the continuation of the Family Violence Prevention and Services project. With the funds from the grant, we are able to assist clients with relocating costs associated with leaving an abusive situation. This can include assistance with housing rental costs and deposit plus utility deposits for housing, household items, bedding, beds, dinettes, kitchen items, clothing, transportation tickets to locate services or employment and groceries. We also provide crises counseling, safety planning and education regarding domestic violence, assistance with protective orders and facilitate a weekly support group, "Spirit Circle." We also make many referrals to tribal and non-tribal agencies to assist with emergency shelter, legal and other needs. This grant serves Native America and non-Native American victims.
