I, _____ hereby declare that _____
Mother's name Father's name

is the father of this child that I am bearing, and that it is agreed that the father and I wish for the child's birth certificate to show him to be the father, and for the baby to register under the father's last name. I understand for this to be legal, a paternity affidavit must be signed by the father and I before a notary. If I wish for the baby not to carry the father's last name this must be agreed upon and must be notarized before I start my prenatal care here at this facility. I understand I am only eligible through the baby's father. This agreement is to be made between the father and me before it is signed and notarized.
